We welcome you to beautiful Whidbey Island, just 48 km from Seattle, in the state of Washington. We at Northwest Language and Cultural Center are committed to providing a meaningful, engaging and educational experience of American culture and the English language.

This specially designed program will improve your English language skills as you develop greater confidence in multicultural settings through cooking, conversations, role play and games. Cultural awareness training will help you be more successful in the American education system.

Join us for a truly life-changing experience on beautiful Whidbey Island!

WHIDBEY ISLAND TOURISM

Whidbey Island is not only safe, healthy and beautiful, it boasts plenty to do both indoors and out. Plan to stay a few days longer and enjoy all the Whidbey has to offer!

Overview

PROGRAM: The English immersion program offers language immersion activities, cultural experiences, and daily social interactions with English-speaking teachers, staff, students, volunteers, and community members. Learn cultural awareness to help integrate into the American education system.

ACTIVITIES: Students explore the English Language with focussed lessons taught by American teachers, exploring topics in context. Engaging in games, cooking, role-play, and a variety of other activities makes learning fun and hands-on. Walk to nearby Langley, and see why it was named by [Coastal Living](#) as The Happiest Seaside Town.

ENGLISH LEARNING: Students will participate in customized English lessons with NWLACC instructors. By the end of the program, each student will improve conversational English skills and essential grammar, as well as gain a greater understanding of American culture.
